6610 Public Safety Way
Chesterfield, Va. 23832

(Suburban county just west of Richmond, VA.)

Host Team:

These are FEMA regional class offerings and there are **limited openings per jurisdiction**. This registration process **IS NOT** a first-come / first-served basis. Applicants should be affiliated with a state recognized All-Hazards Incident Management Team, and each IMT will prioritize their applicants based on Team staffing needs. Non-IMT affiliated applicants will be ranked lowest for course admission.

Students attending Regional class offerings sponsored by EMI are eligible to receive Student Stipend Reimbursements for their attendance during training for only the following expenses: Travel (either a round trip airline ticket or 1 round trip by car) · Baggage charges · Local airport transportation · Lodging charges (room charge only.)

Any questions regarding airfare and allowed reimbursement should be referred to NETC Admissions: (301) 447-1035.

NOTE: Local hotels are an average of 8-10 miles from the classroom site, therefore driving for attendance is strongly recommended. (Local taxi/rental car expenses are not reimbursed by FEMA.)

Registration form available for download at:
